MANY PEOPLE have been waiting for this Annual Announcement. It is our usual custom each year to Red Tag various Pieces, Suites, etc., that we do not intend to show the coming season. We therefore offer, the coming week, merchandise at a saving of from 25 to 50 per cent off the regular prices. The prices on many of the articles in this sale have never been raised to conform with market values of furniture to-day, and even in view of this fact we are still making Red Tag prices on already low prices. Nothing in this sale but clean, high-grade goods. You have congratulated yourselves in previous years at the great savings we have given you, and this year we have the greatest values in this store's
